

Shot List & Asset Naming

Every photo, video and audio file the show needs — what to shoot, who is in it, and the exact filename to upload. Two casts: shoot each per-cast item twice, same composition.

NAMING RULE — Every filename says WHERE it plays, WHAT it is, and WHICH CAST, in this order: S<song>-<code>-<what>-<CAST>.<ext> The cast tag is ML (Maegan & Landon), AC (Andrew & Charlie), or SHARED (one file serves both casts). The code (M1, M7b, V2...) is the part the system reads — never change it; the rest is for humans.

EXAMPLES — **S03-M1-pier-golden-hour-ML.jpg** · **S03-M1-pier-golden-hour-AC.jpg** · **S05-M12-dedication-for-cathy-SHARED.jpg** · **S07-V2-facetime-jamie-desk-ML.mp4** · **S07-V2-facetime-jamie-desk-AC.mp4**

PHOTOS — JPG (convert HEIC). Long side at least 1600 px. Keep each file under 8 MB so it travels through the Drive connector.

VIDEO — MP4 (H.264), 1920×1080 landscape. The video is larger than the Drive transfer limit: upload it to the GitHub repo (Add file → Upload files, into assets/) or give it to the show laptop — tell me which.

WHERE — One Google Drive folder named L5Y ASSETS , files flat inside it (no subfolders). Tell me when files land — I pull them and place every one by its code. A missing file keeps its placeholder, so partial uploads never break the show.

SHOOT NOW — confirmed for the locked build

Code	Upload as (exact filename)	What it is / shoot this	Who	Era	Format	Appears in
M24	S01-M24-cathy-wallpaper-jamie-ML.jpg S01-M24-cathy-wallpaper-jamie-AC.jpg	Cathy's lock-screen wallpaper — a photo of Jamie Jamie alone, candid, early-relationship feel (2021). It is HER wallpaper, so it is a photo she took of him: relaxed, looking near the camera, warm light. No text, nothing busy in the top third (the clock sits there). (A lock screen needs a wallpaper; this is the realism default. If you would rather she has a plain wallpaper, skip this one.)	Jamie only	September–October 2021	PORTRAIT (phone wallpaper, 9:19.5 — shoot vertical, leave headroom top and bottom for the clock)	Song 1 — her lock screen, the first image of the show, behind everything she does that morning
M15	S01-M15-the-couch-nine-months-ML.jpg S01-M15-the-couch-nine-months-AC.jpg	The hideous couch — nine months in (the card that closes Song 1) The two of them on a genuinely ugly secondhand couch in the first apartment, deliriously happy — this is her “nine months in and our apartment has a name. it is called The Couch.” post, and it is the photo that fills the whole screen to close Song 1. Make it the best photo of the set.	Both	June 2022 — nine months in, the first apartment	4:3 landscape	Song 1 prologue — Facebook Memory, 4 years ago; and full-screen to close Song 1

M3a	S01-M3a-ring-rowboat-ML.jpg S01-M3a-ring-rowboat-AC.jpg	The ring, the rowboat The engagement: her hand with the ring in the foreground, the Central Park rowboat / water behind (or a rowboat-dock stand-in). Attached to “he asked. I said yes before he finished 🍷”.	Cathy's hand + ring (Jamie optional, background)	June 12, 2023	4:5 portrait	Song 1 prologue — Facebook Memory, 3 years ago
M2	S01-M2-ohio-cast-day-one-ML.jpg S01-M2-ohio-cast-day-one-AC.jpg	Ohio cast photo, day one — no Jamie Cathy with her summer-stock castmates on the first day in Ohio, 2025 — a group/company photo, theater lobby or rehearsal room. Jamie is NOT in it; that is the point. Attached to “Ohio, round two. day one 🍷”.	Cathy + castmates (no Jamie)	June 12, 2025 — Ohio, second summer	4:3 landscape	Song 1 prologue — Facebook Memory, 1 year ago (the card she is not ready for)
M4	S01-M4-wedding-portrait-ML.jpg S01-M4-wedding-portrait-AC.jpg	The wedding portrait The two of them in wedding attire, classic portrait — the one they'd post. Attached to “married three weeks and 600 miles apart. worth it.”	Both	May 18, 2024	4:5 portrait	Song 1 prologue — Facebook Memory, 2 years ago
M1	S03-M1-pier-golden-hour-ML.jpg S03-M1-pier-golden-hour-AC.jpg	The pier, golden hour Jamie and Cathy on a pier by a river at golden hour — HER photo of his surprise visit (a selfie of the two, or set on a timer). This is her birthday post “look who made it to Ohio 🍷 best birthday present”.	Both	July 19, 2025 — Ohio, her birthday	4:3 landscape	Song 3 — the birthday post as she makes it (July 19, 2025)
M12	S05-M12-dedication-for-cathy-SHARED.jpg	The dedication page — “For Cathy” A photo of a real printed book page reading only “For Cathy” — a reader's snapshot, slightly angled, real paper texture. No people, so ONE file serves both casts.	None (shared)	—	4:5 portrait, close	Song 5 — a reader photographed the dedication page
M23	S06-M23-christmas-wallpaper-SHARED.jpg	Christmas tree lights — Jamie's lock-screen wallpaper Tree lights, bokeh, warm — no people needed, so ONE file serves both casts (unless you want the couple in it; then shoot per cast).	None (shared)	December 2022	PORTRAIT wallpaper (9:19.5)	Song 6 — the whole song is this lock screen

V2	S07-V2-facetime-jamie-desk-ML.mp4 S07-V2-facetime-jamie-desk-AC.mp4	THE SONG-7 FACETIME — Jamie at his desk Jamie on a laptop webcam at his desk, writing, half-attending, reacting to her words for the entire number. Frame it exactly like a FaceTime feed (face upper-center, desk lamp, notebook/laptop). The engine draws the FaceTime chrome and the ticking duration — the video is only his feed. No Cathy self-view.	Jamie only	June 2024	16:9 landscape MP4, webcam point of view, full song length (~4:30 plus a few seconds of tail)	Song 7 — the whole song, between the ringing screen and Call Ended

CONFIRM — waits on one Song 5 answer (party album)

Code	Upload as (exact filename)	What it is / shoot this	Who	Era	Format	Appears in
M7	S05-M7-party-cathy-at-edge-ML.jpg S05-M7-party-cathy-at-edge-AC.jpg	Publication party — Cathy at the frame's edge A party/group shot at Jamie's book party: Jamie centered and lit, people around him, CATHY AT THE FAR EDGE of the frame, half in, clearly croppable out. Shoot wide so a re-crop that removes her still looks like a good photo.	Jamie centered, Cathy at the edge, others	March 2025	4:3 landscape, wide enough to crop (see M7b)	Song 5 — “Publication party! Tagged: Jamie Wellerstein and guest”
M7b	S05-M7b-party-recropped-ML.jpg S05-M7b-party-recropped-AC.jpg	The same photo, re-cropped — Cathy gone I produce this from M7 by cropping her out. Nothing to shoot; just make sure M7 has room to crop.	—	—	derived from M7 — DO NOT SHOOT	Song 5 — the fan-account repost
